

Sales Distribution Dashboard – Practical Task

Task Objective

Using the dataset provided in the project (source link below), your task is to build a professional Sales Distribution Dashboard in Excel.

The dashboard should visualize key sales insights using clear, clean, and dynamic charts.

Your dashboard must include the following:

- Total Sales
- Total sales vs Target per month
- Total sales per Week
- Top three customer for sales
- Top ten product for sales
- Total sales per region
- Total sales per country
- Filtering by using Month and Region
